## Spring Term 1 Value: Joy

### Welcome message from the Headteacher

#### Happy New Year to all!

Dear all,

Happy New Year to all. I hope you have all enjoyed your holiday break. It's been a very cold start to the term with days of snow and days of ice! We have been working hard to de-ice the school grounds on a regular basis.

We were busy on our inset day looking at emotional intelligence and reviewing supporting children removing labels and barriers and considering how to be able to reach our pupils best outcomes. It was good to see that our staff have been very positive with developing our methodology further with this.

We have begun to update our OPAL lunch times, getting new container boxes and beginning to tweak the playground to ensure we have more toys and equipment out. Please read below for our wish list of toys that children may not want to play with anymore. We are really excited to see our children using new equipment and the OPAL way. They have enjoyed playing with the snow and the muddy puddles!

New iPads have been put into Year 1 and 2 now and are ready to be used by the children. I have also seen some incredible homework on Seesaw from over Christmas which is great to see.

The weather has been a range of snow, ice and rain. Thank you to everyone coming into school dressed appropriately with hats and gloves. Please continue to keep an eye out on the weather, we have some brave children wearing shorts.

Drama classes with our Drama teacher Sam will now be moved to Year 2 and 3 on a Friday. This is to help with speaking and listening skills as well as oracy learning. Half the class are with Sam allowing class teachers to have the other half doing intensive lessons to really knuckle down key skills that they are studying.

We look forward to the rest of the half term. Have a great weekend.  
Mr Worton-Geer

**Pupil quote of the week- Eric (Reception):** I have enjoyed being back at school playing with my friends. I like it when we are outside and football.  
**Quote from the bible- 1 Thessalonians 5:16-18:** "Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus".

### Improvements to the school:

We have had several improvements so far:

- Our new front gate area will begin soon and take several weeks, please be patient when entering the school during school hours as this may take longer than normal.
- The communication and social media policy has been created after the feedback from the survey.
- New iPads for Year 1 and 2 are now in the classes
- We are beginning to move into our next phase of OPAL – please see below for more information.
- A new back up internet line is being put into place.

# Highlights

Here is some useful information that is happening in the school.

## Attendance:

### Amazon Wish list

We have created our amazon wish list if parents would like to buy items for the school – this would be greatly appreciated. The link is found [here](#). Throughout the year we will update the wish list.

## Colder weather:

*In the event that we need to close the school, for example due to inclement weather, we will send an email to all parents and students.*

*The aim will be to send this message out by 7.30am. The message will inform you of whether we are closing, opening later, opening just for a few year groups, different footwear etc. The outcome of whether we close entirely, close for some year groups, start later etc will vary depending on each situation. We will also put the information on our school website and Facebook page.*

*In the event we do need to close the school, we will advise on work set.*

*Essentials: warm coat, gloves and hat. Please bring in spare socks if your child would benefit from them.*

## OPAL:

The children are all extremely excited about our new playground project. As mentioned in the OPAL launch letter sent out at the start of the programme, we will be continuing collecting loose parts for children to play with. The items we are looking for will enable us to enjoy a wider range of play experiences during playtime (see below for some examples):

- Suitcases of any size and type
- Anything on wheels/castors
- Plastic milk crates/supermarket delivery crates/plastic bread trays
- Briefcases, especially hard cased ones
- Road signs and cones
- Kitchen pots, pans, baking trays, work tables, wooden spoons, chopping boards
- Tools like small spades/shovels, trowels and brooms
- Tubes of various sizes and various materials
- Buckets
- Nets and thick ropes
- Cars
- Dinosaurs
- Barbies/ action figures
- Keyboards/torches/laptops/calculators/mobile phones/desk phones/webcams/cameras that are no longer working
- Fabric (large sheets/brightly coloured fabric)
- Foam sheets/bodyboards/camping roll mats/yoga mats
- Wooden pallets
- Metal frames
- Cable drums
- Guttering

- Noodles (the type you use in the swimming pool!)
- Hats/scarves/jazzy shirts/elasticated skirts/waistcoats/wedding dresses/character costumes
- Pegs (to help to set up dens)

If you have any items to donate, they will need to be brought to Mrs Davies-Goldder. Staff will be on the main gate and will direct you to where the items need to be left. Please bring your items in between 8:30 and 8:50 any morning.

If you are able to, or you know anyone who can, donate a large number of plastic boxes/crates/pallets, please contact the school office.

Thank you for your continued support with our OPAL Primary Programme. We look forward to sharing more of what we have been getting up to at playtimes very soon.

### Forest School

This term, we will be focusing on a range of outdoor skills, including fire safety and management, knot-tying techniques, and building simple shelters. These activities are designed to help children grow in confidence, resilience, and independence as they learn to work with natural materials and collaborate with their peers.

Please ensure that children come to school dressed appropriately on Forest School days. They will be spending extended periods outdoors and are likely to get muddy, wet, or cold. Warm layers, waterproof clothing, and sturdy footwear make a big difference to their comfort and enjoyment.

Our Forest School curriculum is something we are continually developing. As our grounds have now reached a stage where we can expand and enrich the learning opportunities, we are excited to introduce more structured progression in skills and knowledge. Over time, children will revisit key skills at increasing levels of challenge, helping them build mastery and confidence.

# Academic Highlights

Here is some useful information that is happening in the school.

## Nursery:

Nursery have had a fantastic start to the year, welcoming some new friends as members of our class. We have been reading stories about animals from antartica and rescuing penguins and polar bears from ice! We are learning to hold a pencil and write our names, tracing the letters and trying to form them correctly.

## Reception:

Reception are learning about dinosaurs this half term. We have made a fun dino world in our role play area and have been reading about Mary Anning, a female palaeontologist in 1799. Today we drew dinosaurs on the playground and showed the

children how big the Giganotosaurus was by drawing and measuring a line from the gate to the classroom, it was 13.5metres in length!

## Year 1:

Year 1 have made a brilliant start to the Spring Term, despite the cold and wet weather! The children have loved our cricket sessions with Hertfordshire Cricket, building skills and confidence and have been full of energy in dance as they explored movement by pretending to be Baloo the Bear. In Spanish, we have begun learning our colours and in Drawing Club the children have produced some fantastic writing, confidently joining two main clauses using the conjunction 'and'. A super start to the term! ☀️

## Year 2:

Year 2 have been learning about money on maths. This week we created our own stalls and sold items to our peers in order to work out the correct change.

## Year 3:

In Year 3 the children have really enjoyed their weekly library slot. They have been discovering new books and finding a cosy nook to read a favourite book.

## Year 4:

Following a wonderful Christmas break, Year 4 have settled back into school life tremendously well! We have begun work on several new units across all subjects - including Mountains & Volcanoes in Geography and Programming in Computing. We've also been very fortunate to welcome Hertfordshire Cricket back into school, and they will be running specialist cricket sessions on each Monday up until

February half-term.

## Year 5:

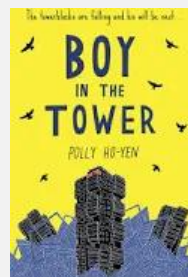

A group of Year 5 have volunteered to become Sports Leaders – they had their first training session on Monday, and this is what Eloise and Frank had to say:

"On Monday, the 12th of January 2026, we did some activities such as STEP\* and a game where we passed a tennis

ball ⚾ clockwise 🕒 around a circle and ran anti-clockwise 🕒 around the circle 🕒. We were learning how to be good activity creators. We did it at lunchtime for half an hour. We will do it every Monday for this half term, and then we will be officially playground 🏃 leaders!"

## Year 6:

In Y6 we have been on the edge of our seats waiting for the next installment of 'The Boy in the Tower' in our English lessons. We have been working hard on using relative clauses and brackets to enhance our writing. The children are also very keen to share with parents and carers their Geography work on 'Brazil' from this week (sides can be found on

seesaw).
