Homework in Year 2 – Autumn 2

Daily homework:

Each day, please read your Monster Phonics book between 5-15 minutes.
Reading to your parent/carer and discussing what you have read is really important. It would be brilliant if this could happen at least three times each week. Please log this on Boom Reader our online reading record.

Numbots needs to be completed daily between 10 - 20 minutes. This can be done on a tablet/computer/ laptop/ mobile phone.

Optional homework:

Below are a range of activities to be completed. You may wish to complete one a week. These are due in the last week of the half term.

English	**Maths**	**Science**
A Christmas Adventure! Write your very own Christmas story! Think of an exciting character, a magical setting and something that happens in your story. Remember to include adjectives, conjunctions, capital letters and full stops. You could even draw a picture to go with your story!	**Shape Detective** Go on a shape hunt around your home! Find 2D and 3D shapes. Draw or photograph them and label the shapes you discover. Remember to look at their properties, such as how many sides, edges, vertices or faces they have.	**Habitat Explorer!** Become a nature detective! Research or explore your garden, a park or a woodland and look for different habitats. What living things might live there? Choose one habitat to draw and label, showing the plants and animals that live there. Can you explain why it is a good home for them?
History	**RE**	**Art/DT**
Victorian Time Traveller! Travel back in time to the Victorian era! Find out what life was like for Victorian children. Explore their schools, toys, clothes or homes. Draw pictures or write about three things that were different from your life today. Can you find anything that is still the same?	**The Christmas Story** Write a special Christmas poem about the birth of Jesus. Think about the star, the stable, Mary, Joseph and baby Jesus. You could make your poem rhyme or write an acrostic poem using a Christmas themed word. Decorate your poem with beautiful illustrations!	**Festive Creations!** Get creative and design your own Christmas decoration! You could make a hanging star, a Christmas tree ornament or a festive wreath. Try using recycled materials from around your home. Bring your creation into school or share a photograph on Seesaw!
