

Welcome and Transition Arrangements

Dear Parents/Carers,

We are delighted that your child will be joining the family of St John's C of E Primary School in September.

For part of the transition, we would like to invite you and your child for an introductory visit on Thursday 11th July from 9.00-10.00. This session will enable you and your child to stay and play in Nursery together and talk to the Nursery Staff.

We are also offering home visits; your home visit will be sent separately. We look forward to meeting with you and your child.

At St. John's, we feel it is very important to get the transition right and make the children feel welcomed and confident within their new setting.

If your child has a special educational need and you feel they may need a slightly extended/personalised transition, then please speak to me at our home visit or during one of the 'stay and play' sessions. If required, we could book a meeting with our Special Educational Needs and Disabilities Co-Ordinator (SENDCO) and myself to discuss your child's needs e.g., medical reports, previous learning plans or their educational health care plan.

The updated Nursery introduction brochure and 'child friendly' booklet, which has pictures of all the key areas and key workers in our class, will be available on our school website from July.
